

High Load Capacity and High Rotational Speed Single Row Slewing Bearing with Bolted Mounting

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: ZHUOLI
- Certification: ISO9001
- Model Number: RKS. 062.20.0414

Product Specification

- Type: Single Row
- Bearing Type: Slewing Bearing
- Load Capacity: High
- Size: Customizable
- Corrosion Resistance: Yes
- Rotational Speed: High
- Application: Slewing
- Lubrication: Grease
- Highlight: **high load capacity slewing bearing,
high rotational speed slewing bearing,
bolted mounting slewing bearing**

Product Description

High Load Capacity and High Rotational Speed Single Row Slewing Bearing with Bolted Mounting

Product Description

The Single Row Slewing Bearing is a high-quality bearing designed for various industrial applications that require a reliable and efficient rotational mechanism. This product features a Bolted Mounting Type, ensuring easy installation and secure attachment to the intended equipment.

Key Features:

- Corrosion Resistance:** Suitable for outdoor or harsh environments
- High Rotational Speed:** Efficient operation under demanding conditions
- 1 Year Warranty:** Coverage for manufacturing defects
- High Load Capacity:** Handles significant pressure and weight

This versatile bearing is ideal for applications ranging from Double Row Cylindrical Roller Bearing assemblies to Excavator Slewing Bearing systems and Dual Axis Slew Drive mechanisms.

Applications

ZHUOLI's Single Row Slewing Bearing (Model: RKS. 062.20.0414) is perfect for various applications in the slewing industry. Manufactured in CHINA and certified with ISO9001.

Ideal for:

- High rotational speed scenarios
- Harsh environmental conditions
- Center driveshaft support bearing applications
- Machinery, construction equipment, and industrial systems

Customization

Specification	Details
Brand Name	ZHUOLI
Model Number	RKS. 062.20.0414
Place of Origin	CHINA
Certification	ISO9001
Type	Single Row
Size	Customizable
Operating Temperature	-40°C To 80°C

Packing and Shipping

Packaging: Sturdy cardboard box with protective padding

Shipping: Via reputable carrier to specified address with standard shipping times

Frequently Asked Questions

Q: What is the brand name of this Single Row Slewing Bearing?

A: The brand name is ZHUOLI.

Q: What is the model number of this Single Row Slewing Bearing?

A: The model number is RKS. 062.20.0414.

Q: Where is this Single Row Slewing Bearing manufactured?

A: It is manufactured in CHINA.

Q: Does this Single Row Slewing Bearing come with any certification?

A: Yes, it comes with ISO9001 certification.

Q: Are there specific applications recommended for this Single Row Slewing Bearing?

A: This bearing can be used in various applications including cranes, excavators, and other heavy machinery.
