

Sealed Slewing Bearing Type Drive Shaft Center Bearing for Durability and High Load Capacity

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: ZHUOLI
- Certification: ISO9001
- Model Number: RKS. 062.20.0414

Product Specification

- Application: Slewing
- Lubrication: Grease
- Bearing Type: Slewing Bearing
- Mounting Type: Bolted
- Size: Customizable
- Type: Single Row
- Precision: High
- Sealing: Sealed
- Highlight: Sealed slewing bearing drive shaft,
High load capacity slewing bearing,
Durable single row slewing bearing

Product Description

Sealed Slewing Bearing Type Drive Shaft Center Bearing for Durability and High Load Capacity

Product Description

The Single Row Slewing Bearing is a top-of-the-line product designed for precision and high load capacity applications. With its exceptional corrosion resistance, this bearing ensures durability and longevity even in harsh environments.

Equipped with high rotational speed capability, this bearing is perfect for applications where speed is crucial. Its high precision design guarantees accurate and smooth operation, making it ideal for demanding industrial tasks.

Key features include:

- 1-year warranty for quality assurance
- High load capacity for heavy-duty applications
- Corrosion resistance for harsh environments
- High rotational speed capability
- Precision design for smooth operation

Applications

ZHUOLI's Single Row Slewing Bearing (model RKS.062.20.0414) is a versatile product suitable for various industrial applications:

- Center Driveshaft Support Bearing for precise rotation
- Excavator Slewing Ring Bearing for heavy-duty equipment
- Dual Axis Slew Drive setups for precise movement
- Construction machinery requiring durability
- Outdoor applications exposed to harsh conditions

The sealed design enhances durability while bolted mounting ensures secure installation.

Customization

Specification	Details
Brand Name	ZHUOLI
Model Number	RKS.062.20.0414
Place of Origin	China
Certification	ISO9001
Corrosion Resistance	Yes
Bearing Type	Slewing Bearing
Mounting Type	Bolted
Trademark Options	Neutral/OEM/Customized

Packing and Shipping

The Single Row Slewing Bearing is carefully packaged in a sturdy cardboard box with adequate padding to prevent damage during transportation.

Shipping is handled through reliable courier services with tracking available to ensure timely delivery.

Frequently Asked Questions

What is the brand name of this Single Row Slewing Bearing product?

The brand name is ZHUOLI.

What is the model number of this product?

The model number is RKS.062.20.0414.

Where is this product manufactured?

This product is manufactured in China.

Does this product come with any certification?

Yes, it is certified with ISO9001.

Are there different sizes available?

Yes, this product is available in various sizes to suit different requirements.
